

Weimaraner Club of NSW Inc
Golden Anniversary Show – Easter 2022
Judge: Mrs Ines Dawes

I want to apologize to both committee and exhibitors for this late report, it was unavoidable.

A big thank you to the committee for the invitation. To Anne Knight for looking after us so well and all exhibitors for their entries and the opportunity to judge our great breed at such a prestigious show.

An overall view is the breed is in good shape, bitches are still stronger than the dogs, but the gap is narrowing.

I would like to comment at this point to the LH –although judged separately they really have improved in the past few years, so much better, longer in body and stifles now correct not dead straight! Bone / colour /coat so very much improved.

Headed a strong class. Her overall quality won her the 1st place. Nice profile with a good length of back, carried herself very well on the move, plenty of driving action. BRED BY EXHIBITOR BITCH

1st - Bromhund's Aust Ch Bromhund Bells N Whistles.

Yes, she is all that with bells! Mature bitch, everything right would have liked her to be more aware, seemed bored but that changed in the challenge and although she stood alone she deserved her place. Nice profile good fold of ear and moved better the second time around.

BEST BRED BY EXHIBITOR IN SHOW

2nd - Grech & Studholme's - Lukedom Lights Camera Action AI

Younger by age but lacked lustre as well, maybe late in the day! Profile was fine, not as feminine as the winner of this class, bad luck.

OPEN BITCH

1st - Wright/Whites Supreme Ch. Weissenberg Flirtin With Fire AI

I would have called her FIRE if she had been mine. As soon as she came into the ring this bitch showed quality/soundness and presence you couldn't miss.

I have only judged another bitch as excellent as this one in 30+years of judging in many places both abroad and in Australia. I think that says it all. To describe her in a word PERFECT to the letter of our breed standard. I should add however the handler was excellent and both worked together to make it just a dream to watch. Not a foot wrong. This Kennel has produced such fine specimens, I congratulate the breeder in making sure our Weimaraners stay up there producing beautiful sound Weimaraners and do our breed proud.
